

because we are different

Llorens, Insurance Brokers, is a service company orientated to provide solutions to the personal and professional needs of the clients by acting in different lines of business

A Method

- Identification of the clients' needs through a **detailed study**.
- Elaboration of a personalized **plan of action**.
- **Looking for and negotiating** products and services on the market.
- **Adaptation of products and services** to ensure a perfect fit.
- **Implementation of solutions** and products.
- **Active follow up** of the results, giving advice on possible improvements.
- **Personalized treatment of incidences and claims**.
- We constantly work to be close to the client through **our offices, websites telephones lines...**

A Commitment

- A direct and continuous contact with our clients:
 - We analyse personal, professional, economical and business risks to which the client is exposed.
 - We give advice about the different possibilities for each risk.
 - We intervene between the client and the Insurance Company **always attending the clients' interests**
 - We follow through and control the products we sell to prevent under evaluation and incidences
- Adapting ourselves to the change according to the requirements of economy and society
- Complete management of the insurance, as from contracting until it comes to an end

Our motto,
the quality of service

A Guarantee

- 40 years of **experience** in the world of insurance.
- A **humane team, qualified and experienced**; committed to results and orientated to the service to the client.
- A **personal and professional dedication**.
- **Freedom and independence** without any kind of link with any Insurance Company, which allow us to choose the best option available on the market.
- **Our flexibility** to move between Insurance and Re-Insurance Companies and Collaborators of recognized prestige and solvency
- **Looking for the best options** for our clients, including on international markets
- **Defending our client's interests** against the Insurance Company.
